FY24 Enhanced Capacity Building Application

If applying to the Senior Fellow position, please read each scenario and answer the additional questions below.

1) Dr. Nancy Searby is on her way to a SEDAC user working group, and it's 9am when you receive a message that she needs slides for her presentation at 11am. She needs slides to include at least 3 project examples that demonstrate the use of SEDAC data. How would you execute her request? (200 words max)

2) You have been notified that a DEVELOP tool from 2022 has finally been released from NASA legal! Partners have been consistently asking for status updates over the past 6 months, and now it's time to schedule a code hand-off. Neither the Fellow who led the project, nor the participants who worked on the team, are available to assist. What steps need to be taken to prepare for a successful hand-off? (200 words max)

3) A Center Director admin contacts the office to say that a VIP visitor who wants to learn more about DEVELOP will be arriving in 3 hours. The NPO staff is on travel at a conference, and the on-site Lead is off-site at a local recruiting event. What do you do? (200 words max)
