StoryMap Checklist

Make sure you have included all the following elements **BEFORE** submitting!

- ❏ Your transcript is the same content as each part of the StoryMap.
    - ❏ It is best to divide this into sections based on the StoryMaps flow (ex. Introduction, Community Concern, etc…).
- ❏ For the POC's email in the transcript, use your non-SSAI email for any needed communication after the term.
- ❏ Make sure to mention:
    - ❏ The EOs and datasets used
    - ❏ What node your team is from?
    - ❏ Your partners
    - ❏ NASA DEVELOP
    - ❏ Your team members!
- ❏ No code is shown in the StoryMap.
- ❏ Any logos shown are only US Federal logos. **No other logos can be shown**. Cite all logos.
- ❏ If you are a continuation project, list the previous team members in the references section.
- ❏ **All images need to be cited with the image (image credit citation) and in the references section (full APA citation).**
- ❏ In the references, you need to include creative commons licensing for images used, not just their URL.
- ❏ Legal statements are included in the reference section.
- ❏ If the team is using partner images or footage or images of the partners, you must get a Media Release Form and put it in your team's Creative Communication Google Drive folder!
